

ENVIRONMENTAL GUIDE FOR TEAMS

- a. Reduce the use of paper, using the official digital channel [Sportity App]
- b. Use the indicated containers for waste separation.
- c. Always use anti-spill devices in the Service Park, Refuelling Areas and Park Fermé.
- d. Keep the noise level low in the service park and other identified places.
- e. Practice efficient driving outside the stages, with the vehicle's engines at low rpm, thus reducing noise pollution and the emission of polluting gases.
- f. Car washing is authorized only in places previously defined for this purpose.
- g. When team members travel, favour car sharing, soft modes, the use of low-emission vehicles and, whenever possible, cover short distances on foot.

Any environmental incident must be reported to:
