Caros Concorrentes:

Bem-vindo ao Rali Terras D'Aboboreira, que se disputa a exemplo dos anos anteriores no território dos três municípios de, Amarante, Baião e Marco de Canaveses, que mais uma vez acolhem o nosso evento.

O Rali Terras D'Aboboreira a disputar nos dias 28 e 29 de abril, terceira prova do Campeonato Portugal de Ralis, será também pontuável no novo formato do FIA-ERT (European Rally Trophy), Campeonato Portugal de Ralis 2RM (duas rodas motrizes), Campeonato Portugal de Júnior de Ralis, Campeonato Portugal de Clássicos, Campeonato Promo de Ralis, Campeonato Promo de Ralis Norte, Campeonato Start Norte de Ralis, fazendo ainda parte dos calendários da Peugeot Rally Cup Ibérica, da Toyota Gazoo Racing Iberian Cup e do Rally & You Portugal Cup.

Com o Centro Operacional na Metalocardoso e Casas Diff, espaços contíguos que acolhem uma vez mais a prova, estando o seu ínicio agendado para a cidade de Marco de Canaveses.

A valorização da imagem do Rali Terras D'Aboboreira e dos territórios onde se disputa, afeta e incrementa o valor mediático, tendo sido gerado em 2022 o valor de 1 milhão 460 mil euros de AEV - (Advertising Equivalent Value) como refere o relatório da Cision, ao que teremos de incrementar o impacto económico gerado na economia local.

Esta valorização resulta da exposição nacional e internacional através da TV, Print, Web-TV, online e social media da imagem do evento e dos municípios envolvidos. A par da cobertura que a Movielight fará, a edição 2023 do Rali Terras D'Aboboreira tem já asseguradas transmissões em direto por livestreaming durante os dois dias de competição.

Bom Rali Terras D'Aboboreira

**ALL COMPETITORS**

Dear competitors

Welcome to the Rali Terras D'Aboboreira, which will be held, as in previous years, in the territory of the three municipalities of Amarante, Baião and Marco de Canaveses, which once again host our event.

The Rali Terras D'Aboboreira to be held on the 28th and 29th April, the third stage of the Portuguese Rally Championship, will also be punctuating the new format of FIA-ERT (European Rally Trophy), Portuguese Championship of 2RM Rallies (two wheel drive), Portuguese Championship of Junior Rallies, Portugal Classic Championship, Promo Rally Championship, Promo North Rally Championship, Start North Rally Championship, as well as being part of the calendars of the Peugeot Rally Cup Iberian, Toyota Gazoo Racing Iberian Cup and Rally & You Portugal Cup.

The Operational Centre will be in Metalocardoso and Casas Diff, adjoining spaces that will once again welcome the competition, with its start scheduled for the city of Marco de Canaveses.

The enhancement of the image of the Rally Terras D'Aboboreira and the territories where it is disputed, affects and increases the media value, having been generated in 2022 the value of 1 million 460 thousand euros of AEV - (Advertising Equivalent Value) as mentioned in the Cision report, to which we have to increase the economic impact generated in the local economy.

This increase in value results from the national and international exposure of the event and the municipalities involved via TV, Print, Web-TV, online and social media. In addition to Movielight's coverage, the 2023 edition of the Terras D'Aboboreira Rally has already secured live livestreaming transmissions during the two days of competition.

Have a good Rally Terras D'Aboboreira
